We Work For The Struggling Humanity

Patron Gurpreet Singh; Patron Mrs Mary Ebrahimi; President P.H.Vaishnav

To Whom It May Concern:

YTTTS is an organisation founded two and a half decades back by Late Mr Vineet Khanna, the winner of the National Child Welfare award by the Government of India in 2002. The society works to help needy Children, Women and Youth in Chandigarh and rural areas of Punjab, Haryana & Himachal Pradesh and make their difficult life a little more bearable. It has a democratic outlook, and there are nearly a hundred active members who devote their time and energy to the society. In addition we have a large number of volunteers helping us. We are supported in our efforts by Govt Depts, Non Governmental Organisations and Individuals.

I have great pleasure in certifying that Gulneer Puri, daughter of Col AS Puri, worked with us as a volunteer. During the course of her work she concentrated on educating the parents of under privileged and handicapped children in the slum areas about how to provide low cost nutritious meals for the children. Her knowledge in the field of nutrition helped her immensely. Her soft speaking manner endeared her to both the beneficiaries and the staff. She worked with diligence and dedication and her contribution was noteworthy. She was an asset to the organization.
